

KARTHIKEYAN M

FULL STACK DEVELOPER

SUMMARY

With 3+ years of experience, I am a proficient Full Stack Developer specializing in front-end (Vue.js, React.js) and back-end (Laravel, Node.js, Express.js) technologies. Skilled in Mysql and Postgresql, I excel in building dynamic web applications such as e-commerce sites, social media apps, job portals, and B2B solutions. Adept at troubleshooting and collaborating with teams for timely project completion. Passionate about crafting efficient, scalable solutions for optimal user experience, I am committed to continuous technical skill enhancement.
